

# HOKKAIDO STARTUP VISA SYSTEM

Small and Medium Enterprise Division,  
Bureau of Regional Economy,  
Department of Economic Affairs,  
Hokkaido Government

English ver.

# **The Hokkaido Government begins the Foreign Entrepreneurship Promotion Project (Hokkaido Startup Visa system).**

## **1 Points of the System**

Foreigners who are prepared to start a business in Japan will be permitted to obtain the status of residence under “Designated Activities” if they meet certain requirements. This status allows foreigners to stay in Japan for a maximum of one year.

The Startup Visa (Foreign Entrepreneurship Promotion Project) is a system that can be used by local governments that have received planning authorization from the Ministry of Economy, Trade and Industry (METI). The purpose of this program is to increase the acceptance rate of foreign entrepreneurs into Japan, and to promote new businesses. Recently, the Hokkaido Government was certificated by METI, and, as such, will enact the Startup Visa system.

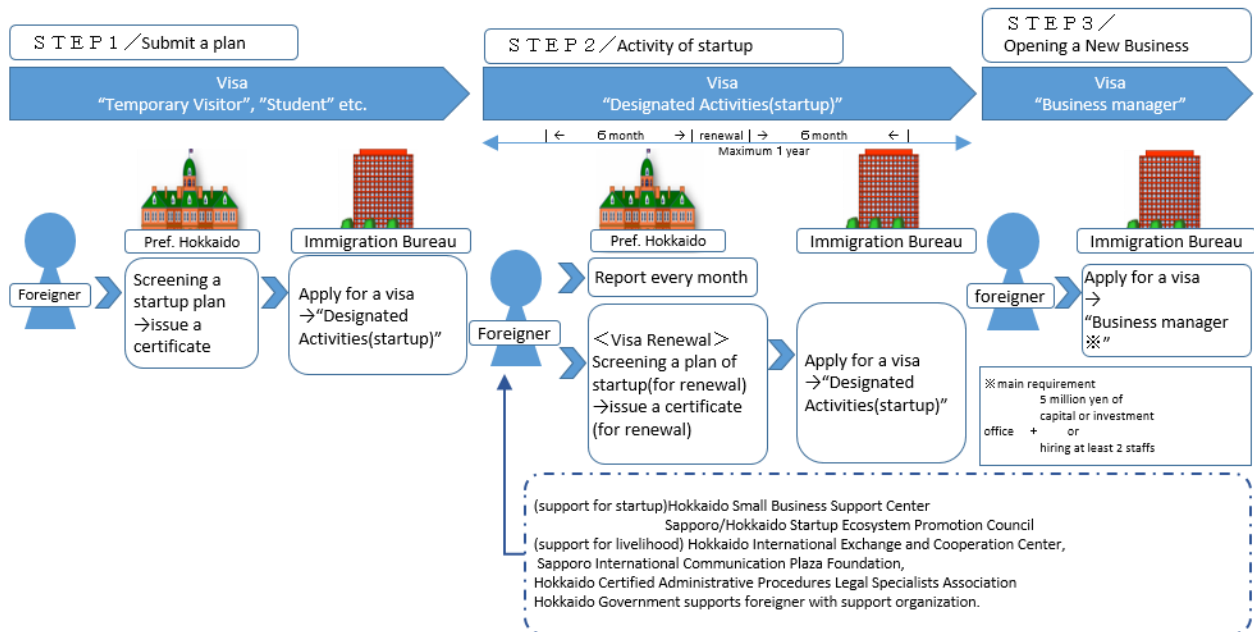

## **2 Eligible Businesses**

- Businesses which promote growth and industrialization in the fields of agriculture, forestry and fisheries, which support local communities
- Businesses which promote the development of food-related industries that utilize regional resources
- Businesses which promote Hokkaido tourism, and help to elevate tourism in Hokkaido to that of an advanced region in the tourism industry
- Businesses which promote developing manufacturing industries which generate added high values
- Businesses which promote the creation of industries that correspond to market size and shifts in market needs
- Other businesses deemed necessary by the governor

## **3 Eligible Persons**

Foreigners who intend to start new businesses in Hokkaido
